**SECRETARIAL AUDIT REPORT
FORM NO. MR – 3**

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2019

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies(Appointment and Remuneration personnel Rule, 2014)]

**To,
The Members,
TPI India Limited**

I have conducted the secretarial audit of the Compliance of applicable statutory provisions and the adherence to good corporate practices by TPI India Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conduct/Statutory compliances and expressing my opinion thereon.

Based on my verification of TPI India Limited's books, papers, minute books, form and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial year ended March 31, 2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, form and returns filed and other records maintained by the Company for the financial year ended on March 31, 2019 according to the provisions of:-

- (1) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (2) The Securities Contracts (Regulation) Act, 1956 (SCRA) and the rules made thereunder;
- (3) The Depository Act, 1996 and the Regulations and bye-laws framed thereunder;
- (4) Foreign Exchange Management Act 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (5) The following Regulation and Guidelines prescribed under the Securities and Exchange Board of India Act 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not applicable to the Company during the Audit period)
 - d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; (Not applicable to the Company during the Audit period)
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the Audit period)
 - f. The Securities and Exchange Board of India (Registration to an Issue and Share Transfer Agents) Regulation, 1993, regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable to the Company during the Audit period)
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not applicable to the Company during the Audit period)

(6) Other laws applicable specifically to the Company:

- a. Bombay Shops and Establishments Act.
- b. Income Tax Act 1961 relating to Tax Deducted at source.

I have also examined Compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 entered into by the Company with Bombay Stock Exchange Limited (BSE).

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except to the extent as mentioned below:

1. The Company has not appointed Chief Financial Officer as per section 203 of the Act.

Increase in loss and the reduction in Reserve/increased the Debit Balance of P & L up to 31-03-2019 will be Rs.1122.71 lacs (Rs. 830.36 Lacs).

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the IND AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the financial year ending 31st March, 2019. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit as addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of IND AS Financial Statements section of our report, including in relation to these matters. Accordingly our audit included the performance of procedures designed respond to our assessment of the risks of material misstatement of the IND AS financial statements. The result of our audit procedures, including the procedures performed to address the matters below, provided the basis for our audit opinion on the accompanying IND AS financial statements.

Key Matters	How the matters was addressed in Audit.
Evaluation of non-provision of expenses and uncertain tax positions The Company has material uncertain tax positions due to losses including matters under dispute which involves significant judgment to determine the possible outcome of these disputes. Non provisions of interest/premium on loans/preference shares as per the agreed terms. Significant management judgement is required in disclosing the contingent liability. Non-consideration of differed tax assets in view of losses. Refer Note 1 to the Financial Statements.	Orders received and representations made along with discussions made with independent persons handling the same and with the management. Considering the returns of income of earlier years and possibility of the Company as going concern to make up adequate estimated profit to recoup the losses; especially in non-consideration of differed tax assets. The possibility of obtaining relief to the Company from appeal and NCLT is also considered. Appropriate disclosures of contingent liability and qualified opinion are made.
Revenue is recognized upon transfer of risk and rewards to customers when material is dispatched from	We have considered the Company's policy of recognising the revenue on delivery of material from

factory at an amount that reflects the consideration which company is expected to receive in exchange of goods. Sales return is considered on actual receipt of material at original sales price. Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances. Refer Note 1 to the Financial Statements	factory gate and receipt of material in factory for rejection. We have test checked the gate pass for deliver the goods and receipt of material.
Recoverability of Debtors and advances.	We have reviewed the policy of management to evaluate the recoverability of debtors and advances. We have considered recoverability of debtors by doing age analysis and discussing with management. Those balances which are not recoverable are written off as bad debts.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Management and Board of Directors of the Company are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial control, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to

the preparation and presentation of the financial statements Ind AS that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the

disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order.

Further to our comments in Annexure A, as required by section 143(3) of the Act, we further report that:

- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- (c) the Balance Sheet, Statement of Profit and Loss, and cash flow statement dealt with by this Report are in agreement with the books of account;
- (d) except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid standalone financial statement comply with the applicable Accounting Standards specified under section 133 of the Act, read with the Companies (Indian (accounting Standards) Rules, 2015 as amended.
- (e) On the basis of written representations received from the directors as on 31st March, 2019, and taken on record by the Board of Directors, none of the directors is disqualified as 31st March, 2019, from being appointed as a director in terms of section 164(2) of the Act.

- (f) We have also audited the adequacy of internal financial controls over financial reporting (IFCoFR) of the Company as on 31st March 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date and effectiveness of such controls; refer to our report as per “Annexure B” expressed an unmodified opinion.
- (g) As required by Section 197(16) of the Act, we report that the Company has not paid any remuneration to its directors during the year and accordingly the provisions of and limits laid down under Section 197 read with Schedule V to the Act are not applicable. However the director is paid guarantee commission for providing guarantee to banks.
- (h) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor’s Report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended):
- i. The Company does not have any pending litigations which would impact on its financial position in its standalone Ind AS financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.

The Company has not been deposited a sum of Rs. 3.17 lacs to the Investor Education and Protection Fund for the F Y 95-96, 96-97, 97-98.

“ANNEXURE B” TO INDEPENDENT AUDITORS’ REPORT OF EVEN DATE TO THE MEMBERS OF T P I INDIA LIMITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of T P I INDIA LIMITED (“the Company”) as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to you, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNUAL REPORT 2018-2019

Mumbai, May 30, 2019

**Notes on Ind AS Financial Statements for the Year Ended 31st March, 2019****Notes to the Financial Statement for year ended March 31, 2019****1 Company Overview**

TPI INDIA LTD (TPI) is a public company limited by shares incorporated and domiciled in India and is listed on BSE Limited (BSE). The registered office of the company and its factory is situated at Plot No J61 Additional MIDC Murbad District Thane, Mumbai-421401. The Company is in the manufacturing of Polymer based packing products

1 a) Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting standards (hereinafter referred to as the 'Ind AS') notified by the Ministry of Corporate Affairs under section 133 of the Companies Act, 2013 ('Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and Companies (Indian Accounting Standards) Amendment Rules, 2016 and the relevant provisions of the Act.

For all periods upto and including the year ended 31st March, 2017, the Company prepared its financial statements in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (hereinafter referred to as 'Previous GAAP') used for its statutory reporting requirement in India immediately before adopting Ind AS.

b) Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. The accounts are prepared on "Going Concern basis". The continuation of the company as a going concern is dependent upon the implementation of Modified Rehabilitation Scheme, availability of adequate finance and future profitability of the company.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability, if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety.

Notes on Ind AS Financial Statements for the Year Ended 31st March, 2019

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

The company's Financial Statements are presented in Indian Rupees, which is also its functional currency and all values are rounded to the nearest thousand, except where otherwise indicated

c) Classifications of Assets and Liabilities in to current and non current

All the assets and liabilities have been classified as current or non-current, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act.

II Critical Accounting Estimates And Judgements

The preparation of financial statements in accordance with Ind AS requires management to make certain judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates, with the differences between the same being recognized in the period in which the results are known or materialize. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

Information about areas involving a higher degree of judgment or complexity or critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities are included in the following notes:

- (a) Estimation of useful life – Note on Property, Plant and Equipment
- (b) Recognition of deferred tax assets - Note on Deferred Tax

III Significant Accounting Policies

A Property Plant and Equipment

a) Initial Measurement & Recognition

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of an item of Property, plant and equipment comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the assets to its working condition for its intended use with any trade discounts or rebates being deducted in arriving at purchase price. Cost of the assets also includes interest on borrowings attributable to acquisition, if any, of qualifying fixed assets incurred up to the date the asset is ready for its intended use.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of Property, plant and equipment.

Cost of Property, plant and equipment not ready for intended use, if any as on the balance sheet date, is disclosed as capital work in progress. Advances given towards acquisition of property, plant and

Notes on Ind AS Financial Statements for the Year Ended 31st March, 2019

equipment outstanding at each balance sheet date are disclosed as Capital Advances under Other non-current Assets.

b) Subsequent expenditure

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

c) Depreciation and Amortisation

The Company depreciates its fixed assets on straight line method over the useful life in the manner prescribed in Schedule II of the Companies Act 2013. Depreciation on assets added/disposed off during the year is provided on pro-rata basis from the date of addition or up to the date of disposal, as applicable.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period.

d) Derecognition

The fixed assets are derecognised on disposal or when no future economic benefits are expected. The difference between carrying amount and net disposable proceeds is recognised in the Statement of Profit & Loss.

B Inventories

Inventories are stated at lower of cost and net realisable value. Cost of inventories comprise of all cost of purchase, cost of conversion and other cost incurred in bringing the inventory to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale. Finance cost generally are not part of the cost of inventories.

C Financial Instruments**a Financial Assets****i. Classification**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

ii. Initial Recognition and Measurement

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Notes on Ind AS Financial Statements for the Year Ended 31st March, 2019

- iii. Subsequent Measurement
For purposes of subsequent measurement financial assets are classified into two broad categories:
 - a. Financial asset at fair value
 - b. Financial asset at amortised cost
Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit or loss (i.e. fair value through profit or loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income).
 - iv. Equity Investments
All investments in equity instruments classified under financial assets are subsequently measured at fair value. Equity instruments which are held for trading are measured at FVTPL. For all other equity instruments, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument shall be recognised as 'other income' in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.
 - v. Derecognition
The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.
- b Financial Liability**
- i. Classification
The Company classifies all financial liabilities as subsequently measured at amortised cost or at fair value through Profit and Loss.
 - ii. Initial Recognition and Measurement
Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.
 - iii. Subsequent Measurement
After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss. This category generally applies to interest amortised bearing loans and borrowings.

Notes on Ind AS Financial Statements for the Year Ended 31st March, 2019

- iv. De-recognition of financial liabilities
Financial liabilities are de-recognised when the obligation specified in the contract is discharged, canceled or expired. When the financial liability is exchanged or modified, the difference in carrying amount is recognised in the Statement of Profit and Loss account.
- c. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

D Revenue Recognition

Domestic sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable, after the deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales such as goods and service tax, etc. Discounts given include rebates, price reductions and other incentives given to customers.

E Other Income

Interest income is recognised/accounted on accrual basis determined by the amount outstanding and the rate applicable.

Dividend income is recognised when the right to receive the payment is established.

F Employee benefits/ Retirement Benefits

Employee benefits include provident fund, superannuation fund, gratuity fund, compensated absences, long service awards and post-employment medical benefits.

- i. Short-Term Obligation
Short-term employee benefits like salaries, wages, bonus and welfare expenses payable wholly within twelve months of rendering the services are accrued in the year in which the associated services are rendered by the employees and are measured at the amounts expected to be paid when the liabilities are settled.
- ii. Long-Term Obligation
Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long Service Awards are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.
- iii. Defined Contribution Plans
Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution, in respect of certain employees, is made to a government

Notes on Ind AS Financial Statements for the Year Ended 31st March, 2019

administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

G Taxation

Income tax expense for a year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognised directly in equity or in other comprehensive income.

a) Current Tax

Current tax is the expected tax payable/receivable on the taxable income/ loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years. Interest income/ expenses and penalties, if any, related to income tax are included in current tax expense. No Provision for Income Tax is made since there will be no taxable income for the current year. No Provision is made for tax based on MAT as the provision of MAT is not applicable to sick industrial company in term of section 115JB read with explanation (1) (vii).

b) Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is recognized using the tax rates enacted, or substantively enacted, by the end of the reporting period.

Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

c) **Minimum Alternate Tax (MAT)** credit is recognised as an asset only when and to the extent there is convincing evidences that Company will pay normal income tax during specified period.

H Foreign Currency Transactions

The functional currency of the company is Indian national rupee (INR) which is also the presentation currency. All other currencies are accounted for as foreign currency. During the year there have been no revenue booked in foreign currency.

I Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.

Notes on Ind AS Financial Statements for the Year Ended 31st March, 2019

J Impairment of Assets

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

K Provisions and Contingent Liabilities

Provisions are recognised when the Company

- (a) has a present obligation (legal or constructive) as a result of a past event,
- (b) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and
- (c) a reliable estimate can be made of the amount of the obligation.

Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

L Government Grants

Government grants and subsidies are recognized when there is reasonable assurance that the company will comply with the conditions attached to them and the grants / subsidy will be received. Government grants whose primary condition is that the company should purchase, construct or otherwise acquire capital assets are presented by deducting them from the carrying value of the assets. The grant is recognized as income over the life of depreciable assets by way of a reduced depreciation charge while grants related to expenses are treated as other income in the income statement.

M Segment Reporting

The Chief Operational Decision Maker monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Currently the company operates only in one segment viz, Polymer based packaging products in India.

N Cash & Cash Equivalents

The company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

O Cash Flow Statement

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

Notes on Ind AS Financial Statements for the Year Ended 31st March, 2019

P Earnings Per Share

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

Q Research & Development

Revenue expenditure on research and development are charged as an expense in the year in which they are incurred. Capital expenditure on research and development are shown as an addition to fixed assets.

R Subsidy

Capital subsidy received from Maharashtra Government is credited to capital reserve account.

A. Nature and Purpose of Reserves

- Capital Reserve: The Companies Act, 2013 requires the company to create capital reserve based on statutory requirement. This reserve is not available for capitalisation/declaration of dividend/ share buy-back.
- Securities Premium Reserve: The amount received in excess of face value of the equity shares is recognised in Securities Premium Reserve.
- Retained Earnings: Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.
- FVTOCI Equity Investments: The company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVTOCI Equity Investments reserve within equity. The company transfers amount from this reserve to retained earnings when the relevant equity securities are derecognised.

The same is lying with Bank of Baroda under dividend a/c no. 4326 and The Federal Bank Ltd. under dividend a/c no. 3884 and 4034. The management is in the process of transferring the same to the Investors Education and Protection Fund account.

25 At the hearing held on 01-09-2010 BIFR had considered the relief in respect of extension of repayment of existing Deferred Sales Tax Liability of Rs 2,34,46,366/- along with accrued interest thereon.

Accordingly the application was made with the concerned authority for the requisite approval and in the revised MDRS filed the company had sought relief for the interest payment as well. However the interest of Rs 172.71 lacs (Rs 138.01 lacs) upto 31-03-2019 has not been provided in the annexed accounts on the outstanding deferred sales tax amount

Further as per the circular No. Sett./MHB-2019/1/2019-19/ADM-8 dated 15th May 2019 issued by the Office of the commissioner of State tax, The Maharashtra Settlement of Arrears of Tax, Interest, Penalty or Late

Notes to the Financial Statements for the Year Ended 31st March, 2019

ordinance fee, 2019 (Mah. Ord. No. V of 2019) dated 6th March 2019 has been promulgated and the company is making an application under this ordinance for waiver of the interest and penalty amount

- 26 The Company has made an application to SICOM INVESTMENT AND FINANCE LIMITED (SIFL) for One Time Settlement (OTS) on their Loan of Rs. 1260 lacs. Vide the letter the company has shown its performance and has requested SIFL to settle all its dues including loans, unpaid interest, penal interest (if any) and the Preference Shares and the Share Application Money. The correspondence is ongoing and the company expects a positive feedback from SIFL.
- 27 The assessment of Sales tax for the period 1995-96 to 2003-04 was completed and consequential additional demand of Rs 1,61,84,584/- was raised of which debit notes of the same amount had been raised to the defaulting customers for recovery.

Subsequently the company made efforts to recover this amount from the customers, but due to the demand being more than 15 years old, some of the customers are no more existing and some have no records of the same

Due to this the company has estimated that these dues will not be able to recover and are hence written off in this year. But the company had in its MDRS sought relief from BIFR to adjust this liability against the unutilized deferred limit of Rs 524 lacs and the company is making representations for the same

Further as per the circular No. Sett./MHB-2019/1/2019-19/ADM-8 dated 15th May 2019 issued by the Office of the commissioner of State tax, The Maharashtra Settlement of Arrears of Tax, Interest, Penalty or Late ordinance fee, 2019 (Mah. Ord. No. V of 2019) dated 6th March 2019 has been promulgated and the company is making an application under this ordinance for waiver of the interest and penalty amount the company has estimated that these dues will not be able to recover and are hence written off in this year.

- 28 Previous year's figures have been rearranged and/or regrouped, reclassified wherever necessary to make them comparable with those of the current year.

Notes to the Financial Statements for the Year Ended 31st March, 2019

B Financial Risk Management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

The source of risk are as follows -

Risk	Exposure from	Measurement
Credit Risk	Trade Receivable, Cash and cash equivalents, financial assets measured at amortised cost	Credit Ratings
Liquidity Risk	Borrowings, Trade Payables and other liabilities	Cash flow forecast
Market Risk - Interest Rate Risk, Currency Risk and Price Risk	Price risk from investments, currency risk from foreign currency payables	Sensitivity analysis

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established the Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Committee reports regularly to the Board of Directors on its activities.

a Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, loans. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The Company's maximum exposure to credit risk as at 31st March, 2019 and 2018 is the carrying value of each class of financial assets.

l Trade and other receivables

Credit risk on trade receivables is limited based on past experience and management's estimate.

Ageing of trade and other receivables that were not impaired was as follows.

Carrying amount	31-Mar-19	31-Mar-18
Neither Past due nor impaired	23,719	21,029
Past due but not impaired	-	-
Past due more than 180 days	3,126	55,091
TOTAL	26,845	76,120

Notes to the Financial Statements for the Year Ended 31st March, 2019

ii **Cash and Cash Equivalents**

The Company held cash and bank balance with credit worthy banks of ₹ 21,67,769.42 at March 31, 2019 (March 31, 2018: ₹ 11,34,698). The credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks where credit risk is largely perceived to be extremely insignificant. Further the Company has an interest accrued but not due on above fixed deposit of ₹ 1322 at March 31, 2019 (March 31, 2018 ₹ 1937)

b **Liquidity Risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. The Company manages its liquidity risk by preparing monthly cash flow projections to monitor liquidity requirements. In addition, the Company projects cash flows and considering the level of liquid assets necessary to meet these, monitoring the Balance Sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

* The amount shown under 'Current Borrowings' is interest free loans received from Directors and received from third parties. These have been received in ordinary course of business and are repayable on demand.

c **Market Risk**

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments. The Company is exposed to market risk primarily related to interest rate risk and the market value of the investments.

Notes to the Financial Statements for the Year Ended 31st March, 2019

i Currency Risk

The functional currency of the Company is Indian Rupee. Currency risk is not material, as the Company does not have any exposure in foreign currency.

ii Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to interest rate risk

According to the Company interest rate risk exposure is only for floating rate borrowings. Company does not have any floating rate borrowings on any of the Balance Sheet date disclosed in this financial statements.

iii Price Risk

Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. It arises from financial assets such as investments in quoted instruments.

a Fair value sensitivity analysis for fixed rate Instruments

The Company does not account for any fixed rate financial assets or financial liabilities at fair value through Profit or Loss. Therefore, a change in interest rates at the reporting date would not affect Profit or Loss.

b Cash flow sensitivity analysis for variable rate Instruments

The company does not have any variable rate instrument in Financial Assets or Financial Liabilities.

30 Capital Management

The company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets.

The management monitors the return on capital as well as the level of dividends to shareholders. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.
